Supervisory Attorney
Central Enforcement Docket

Dear Mr. Turley,

I am writing in reference to your correspondence dated 10/21/98 concerning certain campaign contribution made on behalf of my wife and myself to Congressman Lazio. After reviewing your material, it appears that Congressman Lazio's office mistakenly recorded the contribution of 03/13/97 for \$725.00 under my name instead of my wife's name (Jacqueline M. Corrado). Although the forms were filled out properly, my wife and I share a checking account with both of our names on it.

Please up date your records to reflect this correction. If you have any further questions you may contact me directly at my office at 516-665-3210.

Sincerely,

John J. Corrado

cc: Congressman Rick Lazio
